ADDITIONAL ACCESORIES:

AHL0061C	Helmet clip with double-sided tape

IPX4 RATING

ADVANCED DIMMING SYSTEM

SWITCH LOCK

BATTERY LEVEL INDICATOR

USB-C CHARGING

Rebel is a rechargeable headlamp designed for professionals who need a robust yet lightweight light source. Weighing only 46 g, it emits a diffused light of up to 400 lumens with a beam distance of up to 33 meters. Rebel emits cold white, warm white, and red light in steady and flashing modes. The Advanced Dimming System allows precise light intensity control. The headlamp is arc-resistant, making it safe for use in high-voltage environments. It features a switch lock function, last setting memory, battery level indicator, and accessories for mounting on a helmet, hard hat, or cap.

PRODUCT MEETS THE FOLLOWING STANDARDS: CE RoHS
